

<u>DEPARTMENT NAME</u> Fiscal		
<u>SUBJECT</u> Foster Parent Damage Claims Reimbursement		<u>POLICY NUMBER:</u> AP-444
<u>APPROVAL:</u> 	<u>Effective Date:</u> 10-6-2020	<u>REPLACES</u> AP-444 10/20/2016

- I. **PURPOSE:** Foster parents shall be reimbursed for reasonable expenses that the foster parent incurs as a direct result of caring for the child that has been placed in the home.
- II. **REVIEW HISTORY:** Original 8/1/2003 and updated October 20, 2016.
- III. **CONTACT:** Chief Financial Officer
- IV. **PERSONS AFFECTED:** All Children’s Network staff and foster parents caring for youth under the jurisdiction of Circuit 20 dependency courts.

V. **POLICY:**

This operating procedure outlines the procedure to follow when an individual wishes to seek restitution for direct medical expenses and or property damage caused by a shelter or foster child.

VI. **PROCEDURE**

A. The following distinctions determine the allowable amounts for reimbursement. At the time the injury or damage occurred, if the child responsible was:

- 1. In shelter legal status [pursuant to a court’s shelter order], restitution up to \$1,000.00 may be claimed.
- 2. In foster care legal status [pursuant to a court order granting custody to the department for placement in foster care], restitution up to \$1,500.00 may be claimed.

B. The living arrangement, i.e., shelter or foster home or residential group care, has no bearing on the above distinction; it is based solely on the child’s legal status at the time the injury or damage occurred.

C. When a shelter parent, foster parent or other individual advises the assigned Case Management Organization (CMO) staff member of expenses they have incurred as a result of personal injury or property damage caused by a shelter or foster child, the CMO case manager will:

-
1. Assist the claimant in completion of the Restitution Claim Form (Exhibit A).
 2. Ensure that the form is completed in its entirety and that legible receipts (or estimates) from a licensed vendor are attached.
 3. Review the circumstances of the claim and have the claimant sign the form.
 - a. If the staff member reviewing the circumstances does not agree that the shelter or foster child was responsible for the injury or property damage, the staff member should note that opinion on the signature line.
 - b. If the staff member reviewing the claim sees the circumstances from a different perspective than the claimant, the staff member's perspective should be noted in writing on the form or an attachment. Example: A foster child and the biological child of the foster parent were playing in a rough manner and, as a result, the table lamp was knocked over and destroyed. The foster parent might believe that the foster child was at fault because the foster child was older and started the rough play. The staff member might believe that both children were equally at fault. In this case, the staff member would note his or her perspective of the circumstances before signing the form.
 4. The claim must be filed by the claimant, in writing using the State Institution Claim Form (Exhibit A) with the office of the Attorney General, within 120 days of the occurrence upon which the claim is based.
 5. The claimant is not required to submit a claim to his or her homeowner's insurance company for primary coverage of the expenses.
 6. The staff member must advise the claimant that it is improper (fraudulent) to request reimbursement from the Claims Fund and homeowner's insurance for the same claim unless one is used to supplement the other. If homeowner's insurance coverage is used, the Institutional Claims Fund may be used only to request restitution for any deductible amount and/or repair of damage the homeowner's insurance coverage did not pay. Paperwork from the homeowner's insurance must be included with the form and receipts. For example: If the damage cost \$600 to repair and homeowner's insurance paid \$100 due to a \$500 deductible, the \$500 deductible could be claimed through Claims.
 7. Claims that exceed \$1,000.00 for children in shelter status, and \$1,500.00 for children in foster care status require state legislative approval. The staff member should assist the foster parent or other claimant in contacting his/her state legislative representative, if necessary.
 8. All claims processed under this procedure must be paid by the Case Management Organization which is assigned the case.
